TO: Federal Trade Commission

Subject: Attachment 1 for 214 Application

Dear Sir or Madam:

Miron Enterprises, LLC qualifies for streamlined processing for 214 Application because none of the below statements apply to our company:

(1) The applicant is affiliated with a foreign carrier in a destination market, unless the applicant clearly demonstrates in its application at least one of the following:

- (i) The Commission has previously determined that the affiliated foreign carrier lacks market power in that destination market;
- (ii) The applicant qualifies for a presumption of non-dominance under § 63.10(a)(3);
- (iii) The affiliated foreign carrier owns no facilities, or only mobile wireless facilities, in that destination market. For this purpose, a carrier is said to own facilities if it holds an ownership, indefeasible-right-of-user, or leasehold interest in bare capacity in international or domestic telecommunications facilities (excluding switches);
- (iv) The affiliated destination market is a WTO Member country and the applicant qualifies for a presumption of non-dominance under § 63.10(a)(4);
- (v) The affiliated destination market is a WTO Member country and the applicant agrees to be classified as a dominant carrier to the affiliated destination country under § 63.10 , without prejudice to its right to petition for reclassification at a later date; or
- (vi) An entity with exactly the same ultimate ownership as the applicant has been authorized to provide the applied-for services on the affiliated destination route, and the applicant agrees to be subject to all of the conditions to which the authorized carrier is subject for its provision of service on that route; or

(2) The applicant has an affiliation with a dominant U.S. carrier whose international switched or private line services the applicant seeks authority to resell (either directly or indirectly through the resale of another reseller's services), unless the applicant agrees to be classified as a dominant carrier to the affiliated destination country under § 63.10 (without prejudice to its right to petition for reclassification at a later date); or

(3) The Commission has informed the applicant in writing, within 14 days after the date of public notice listing the application as accepted for filing, that the application is not eligible for streamlined processing.

Sincerely,

Florin Miron
